This Memorandum of Understanding is entered into with reference to the following facts:

- A. The Cathedral City Police Officers Association, is recognized under the provisions of the Meyers-Milias-Brown Act of the State of California as the majority representative of the following employees:
All full-time sworn police officers below the rank of Sergeant.
- B. The Cathedral City Police Officers Association, hereinafter sometimes referred to as "CCPOA", and representatives of the Municipal Employee Relations Representative of the City of Cathedral City, have met and conferred in good faith on wages, hours, and other terms and conditions of employment for the employees represented by CCPOA in the bargaining unit listed above, and have reached agreements which are set forth in this Memorandum of Understanding (MOU).
- C. This Memorandum of Understanding is established in accordance with the Provisions of the Meyers-Milias-Brown Act (Government Code Section 3500, et seq.), effective only upon ratification by the City Council of the City of Cathedral City.

Subject to the foregoing limitations, CCPOA and the City of Cathedral City agree as follows:

ARTICLE 1 SUPERSEDES PERSONNEL RULES

This Memorandum of Understanding is enacted pursuant to the Meyers-Milias-Brown Act and Cathedral City Resolution Number 82-84. Personnel Rules previously established by the City Council by Resolution shall not be effective as to employees covered by this MOU, since all pertinent portions of the Personnel Rules applicable to such employees are hereinafter specifically set forth.

ARTICLE 2 MAINTENANCE OF MEMBERSHIP; CONTRACT BAR; PETITIONS FOR DECERTIFICATION

Full-time sworn employees of the Cathedral City Police Department below the Rank of Sergeant, who are covered by this Agreement and who are members of CCPOA shall continue and maintain their membership in CCPOA for the duration of this Agreement.

CCPOA agrees to enforce this provision and to indemnify and hold harmless the City, its officers and employees, from all liabilities and/or damages arising from the operation of this section. This Memorandum of Understanding shall further constitute a bar to the implementation of Section 11(A)2, of Resolution 82-84, except that the City shall accept a petition for decertification of CCPOA only during the 60th and 90th calendar days immediately prior to the expiration of this MOU.

ARTICLE 3 SEVERABILITY

It is understood and agreed by the parties that this MOU is subject to all present and future applicable Federal and State laws and regulations, and the provisions hereof shall be effective and implemented only to the extent permitted by such laws and regulations. The parties hereto have bargained with regards to some provisions which are covered by the Fair Labor Standards Act, and, to the extent that the Fair Labor Standards Act permits employers and employee groups to contract for modification of the procedures

otherwise utilized under the Fair Labor Standards Act, and to the extent that such modification is authorized by Federal law, the parties intend that this contract shall take precedence over the provisions of the Fair Labor Standards Act. If any part of this Agreement is in conflict or is found to be inconsistent with such applicable provisions of State or Federal law or regulation, or otherwise found to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended, and the provisions of the applicable laws and regulations shall prevail; in such event, however, the remainder of this MOU shall not be affected thereby and shall remain in full force and effect.

ARTICLE 4 STRIKES AND/OR JOB ACTIONS

ARTICLE 5 COMPENSATORY TIME OFF

Any employee who is a member of the bargaining unit represented by CCPOA shall be authorized to accumulate, to the extent allowed by the Fair Labor Standards Act, up to eighty (80) hours of compensatory time. The accumulation of such hours shall be in accordance with the Fair Labor Standards Act. The City recognizes the vested nature of such accumulated hours. An employee who has accrued and requested use of compensatory time off shall be permitted to use such time off if the request is submitted to the Chief of Police or designee within a reasonable period prior to the date(s) requested for time off. For purposes of this Article, the term "reasonable period" shall mean seven days. An employee who submits such a request less than seven days prior to the date(s) requested for time off may present a qualified replacement to work in his or her place. For purposes of this Article, the term "qualified replacement" shall mean equal rank or assignment, as appropriate. In the event an employee who submits such a request less than seven days prior to the date(s) requested for time off does not present a qualified replacement, if fewer than two employees are scheduled to be off work during the shift(s) in question, the Chief of Police or designee shall attempt to accommodate the employee's request for time off. Upon a four (4) week prior written request by the employee, one (1) time per calendar year, each employee shall receive pay for all or any part of compensatory time accrued at the employee's then current base salary.

ARTICLE 6 PERS OPTION

Step 6 & 7 shall be combined into Step 5 and the City will add a new Step 6 & 7. Employees will move down one step when placed on the salary schedule. Employees will also receive credit for the time they have served on Step 5-6 or 7 for consideration for advancement to the next step.
- 11.2 Salary Advancement – Full-time Employees. Except as otherwise provided in this Article, full-time employees may be considered for an increase in salary according to the following rules:
- 11.2.1 Advancement to a next higher merit increase step may be made after twelve (12) month interval from the hire date or last increase in subsequent years, and for continued satisfactory service.
 - 11.2.2 Advancement to the next higher merit increase step shall not be automatic. Such salary increase or denial of salary increase shall require the specific recommendation, through a performance evaluation, of the employee's department head and the approval of the Personnel Officer. When an employee is denied an increase, he or she may be reconsidered for such advancement at any subsequent time with a satisfactory performance evaluation.
 - 11.2.3 Advancement to a longevity merit step may occur after two (2) years satisfactory service in the next preceding step in the respective salary range. Any such advancement shall be granted only as a result of a written evaluation of continued meritorious service by the employee in the performance of the duties of his/her position.

- 11.3 Salary on Demotion. Any employee who is demoted may be placed at a lower step, or may be placed at a step in a lower range or may be placed at step "Y" which is equal to the employee's current salary step. The employee's merit review date shall not change.
- An employee receiving Step "Y" shall remain in the Step "Y" until such time as the position is assigned to a salary range in which the last step is equivalent to or higher than the Step "Y", at which time the employee shall be placed in the next highest step. Such employee shall not receive salary adjustments until such time as Step "Y" is equivalent or less than the highest merit increase step of the salary range of the employee's position.
- 11.4 Salary on Reinstatement. An employee who resigned in good standing may, within one (1) year of such resignation and upon recommendation of the department head and approval of the City Manager, be reinstated in a position in the class in which the employee had previously served, subject to an available budgeted position. Upon such reinstatement, the employee shall not receive higher than the step in the salary range the employee previously received prior to the employee's separation. The employee shall be given a new merit review date, as if a new hire.
- 11.5 Special Salary Adjustments. A department head may recommend, in writing, to raise an employee's salary step to a higher merit increase step prior to the eligibility times specified in this Article so as to recognize meritorious service, advanced educational achievements or other extraordinary attributes related to the employee's public service. Such increased compensation is subject to the approval of the City Manager and the availability of budgeted funds. The employee's merit review date shall change to the effective date of the special increase.
- 11.6 Overtime.
- 11.6.1 A department head may require an employee to work beyond the employee's regular hours of employment. If the employee works in excess of the scheduled daily shift, or is called back to work after having worked a shift, or is required to work on a scheduled day off, except subject to the provisions of Section 21.3 herein, such employee shall be paid at one and one-half (1-1/2) times the hourly rate of the employee's salary or receive compensatory time at one and one-half (1-1/2) times hours worked, at the discretion of the employee. Compensatory time is addressed in Article 5. For the purpose of this section, sick leave, vacation, or comp time used during the pay period shall be counted as time worked during that 80 hour pay period.
- 11.6.2 Notice of Overtime Scheduling. The department shall post available overtime shifts/hours at least seven (7) days prior to the date the overtime shift/hours will be worked. In such a case, employees may sign up to work the overtime shift/hours on a first-come, first-serve basis. An employee who signs up for posted overtime and then decides not to work the shift must present a qualified replacement to work in his/her place. For purposes of this section, the term 'qualified replacement' shall mean equal rank or assignment, as appropriate. In the event that no employee or an insufficient number of employees sign up for a posted overtime shift/hours, or, in the event that seven (7) days advance posting is not possible, the department may assign overtime to an employee. In such a case, the department shall provide the affected employee with written or actual notice of the overtime shift/hours prior to his/her next assigned shift. This Section shall not apply to holdover and/or emergency situations.
- 11.7 Other Paid Time Off. The City Manager or Chief of Police may grant paid time off to any City employee in unique situations where actions of the employee, over and above the call of duty, clearly merit such consideration.

- 11.8 Assignment Differential. A five percent (5%) differential supplement shall be paid to Field Training Officers, Investigators and officers performing canine duties. A five percent (5%) differential supplement also shall be paid to officers operating motorcycles, while assigned to such duties, regardless of whether actually performing those duties on a particular shift. Assignments to such special duties shall be at the discretion of the Chief of Police.
- 11.9 Compensation for Layoff. An employee, who is terminated from the classified service of the City as a result of a layoff, shall be paid for accrued vacation and accrued overtime. Accrued sick leave shall be restored to an employee if the employee is reemployed within one (1) year. Should an employee be reemployed in the formerly held position, the employee shall be placed at the same salary step as when the layoff occurred. No credit shall be received toward a step increase or seniority during the period of layoff.
- Employees who have attained regular status at the time of layoff and who are reemployed within a period of one (1) year shall retain their assigned merit review dates. Regular employees who are reemployed after a period of one (1) year will be assigned a new anniversary date.
- 11.10 Compensation During Suspension. An employee who is suspended with pay under the pre-disciplinary procedures of Article 15 shall be paid that salary the employee was entitled to prior to the suspension. An employee who is suspended without pay under the disciplinary procedures of Article (15) shall not be paid for those specific hours of suspension. Additionally, an employee suspended without pay shall not accrue sick leave, vacation, seniority and other benefits during a suspension of more than fifteen (15) working days, except that health and life insurance benefits will be maintained.
- 11.11 Salary on Voluntary Demotion. At the discretion of the City Manager, any employee who elects to take a voluntary demotion may be placed at a lower step, or may be placed at a step in a lower range or may be placed at Step "Y" which is equal to the employee's current salary step. The employee's merit review date shall not change.
- An employee receiving Step "Y" shall remain in the Step "Y" until such time as the position is assigned to a salary range in which the highest merit increase step is equivalent to or higher than the Step "Y" at which time the employee shall be placed in the next higher merit increase step. Such employee shall not receive salary adjustments until such time as Step "Y" is equivalent or less than the highest step of the salary range of the employee's position.
- 11.12 Compensation for Temporary Assignment to Higher Classification. An employee may receive adjusted compensation for working in an assignment in a higher classification. Working at a higher classification shall mean that the employee is performing a significant part of the duties of a position in a higher salary range for a period of thirty (30) consecutive working days of more.
- 11.13 Bilingual Services Bonus Compensation. Employees who have the ability to fluently converse in a second language may be designated as a bilingual employee required to use their skills as a part of their City employment. This designation must be made by the Chief of Police or designee and approved by the City Manager or designee in writing. Eligible employees must successfully pass an annual assessment test to receive such designation. Designated employees shall receive 2.5% in additional compensation effective January 1, 2007.
- 11.14 Compensation for Vehicle Use. An employee shall be compensated for use of the employee's personal vehicle on City business under rules set forth by the City Manager and at the rate set by Council resolution.

- 11.15 Restitution. In addition to any possible discipline under the provisions of Article 15 for willful, wanton or malicious destruction of city property, the City shall have the right to seek restitution through a civil action for damages in the courts. Nothing herein shall preclude the City from pursuing its remedies through both disciplinary action, pursuant to this agreement, and court action.
- 11.16 Error in Determination of Correct Salary Rate. Should an employee be advanced to a higher step in the salary range for his or her class other than for which he or she was recommended, through error, such error shall be corrected immediately following its discovery. Reimbursement to the City by the employee for said error shall be made by one of the following methods or a combination thereof:
- 11.16.1 Application of accrued equivalent time off for overtime service;
 - 11.16.2 Application of equivalent time off for overtime service earned during the time immediately following the date of the discovery of said error;
 - 11.16.3 Application of the increase in the employee's salary following his or her next merit or longevity merit salary increase; or
 - 11.16.4 Any other method mutually agreed to.
- Determination of which one or combination of the above methods of reimbursement should be used shall be made by agreement of the department and the employee, subject to the approval of the City Manager. Should the employee terminate before full reimbursement to the City has been made the money required to complete reimbursement shall be deducted from his or her last paycheck.
- 11.17 Court Appearance Time. An employee scheduled to appear in Court during non-duty hours shall be paid for a minimum of two (2) hours for such appearance at his or her overtime rate. Effective July 1, 2001, this minimum shall increase to three (3) hours for an appearance. Thereafter, effective July 1, 2002, this minimum shall increase to four (4) hours for an appearance.
- 11.18 P.O.S.T. Certification. Employees shall be compensated five percent (5%) of salary for possession of an Intermediate and/or Advanced P.O.S.T. certificate.
- 11.19 Longevity Steps. The parties have agreed to a longevity pay provision which pays 5% at each bracket as follows:
- 11.19.1 Beginning of the 15th year of City employment; and,
 - 11.19.2 Beginning of the 20th year.
- Effective July 1, 2007, the 15th year longevity will be increased to 7.5%.

ARTICLE 12 RECRUITMENT & SELECTION

- 12.1 Physical Requirements. The City Manager may require that all applicants and employees be in such physical or mental condition to perform the duties of their job and may require a medical or psychological evaluation at City's expense at any time on a showing of good cause. No employee shall hold any position in a classification in which he or she cannot physically or mentally perform all the duties of the job adequately and without hazard to himself or herself or others. Within the limitations indicated, the City's policy shall be to make such efforts as are consistent with the provisions of law to place physically disabled employees in such positions as are available in the City service where their disabilities will not substantially affect their performance of duties. The employee's length of service, nature of past performance and the availability of openings may be considered in placing disabled employees.

- 12.2 Separation. An employee in the classified service may be separated from employment with the City through retirement, mental or physical inability to perform the duties of the job, resignation, probationary failure, death, dismissal or layoff. An employee wishing to resign shall file with the employee's supervisor a written resignation stating the effective date. Such resignation shall be presented at least two (2) weeks before leaving the service. The resignation shall be immediately reported to the Personnel Officer. The other forms of separation described above are explained elsewhere in this Agreement. Prior to separation, an employee must return all City items issued to him or her in order to receive final compensation, failing which the City may withhold from final compensation, to the extent permitted by law, the reasonable value of unreturned property.
- 12.3 Voluntary Demotion. An employee may request a voluntary demotion under the procedures of Article 15 or for reasons stated in a special request to the City Manager.
- 12.4 Industrial Appointments. Positions declared vacant due to California Labor Code Section 4850 industrial leave (after 90 days) shall be filled as though the position is vacant. The person appointed to the position shall sign a statement indicating 1) awareness of type of vacancy, 2) agreeing to revert to original position and salary range should the industrially injured person return to the position, 3) time served (first six months) will be considered probationary time, and 4) time served in a higher position will only be considered for six (6) months after the return of the original employee. ARTICLE 13 PROBATION

13.1 Sworn Police Employees Probation

- 13.1.1 The first eighteen (18) months after a sworn police employee has been appointed shall be his/her probationary period. In the event of unusual circumstances, such as an illness or injury which prevents an employee from performing the regular duties of his/her position throughout the entire eighteen (18) month probationary period, the City Manager or designee may extend the probationary period up to an additional six (6) months. In such a case, the City Manager or designee shall notify the affected employee in writing that his/her probationary period has been extended and shall inform the employee of the reason(s) why the probationary period was extended. The probationary period for an employee under this section shall not exceed twenty-four (24) months.

- 13.1.2 The first twelve (12) months after a sworn police employee has been promoted shall be his/her probationary period.
- 13.2 Probation on Reinstatement. Except as otherwise provided in this Agreement, on accepting a reinstatement, an employee who had completed the initial probation under Section 13.1 shall serve a new probationary period of six (6) months. Reinstatements will not be permanent until the successful completion of this probationary period.
- 13.3 Objective of Probationary Period. The work and conduct of probationary employees shall be subject to close scrutiny and evaluation. The probationary period shall be regarded as a part of the training and examination process and shall be used for securing the most effective adjustment of a new employee to a position. Individuals employed under City public employment programs, specially funded programs or contracts shall be subject to the probationary provisions of this Agreement should they be appointed to a position in the classified service.
- 13.4 Satisfactory Completion of Probation Period. If a probationary employee's probation period has been satisfactory, and advancement to regular status is warranted, the department head shall so recommend on a Personnel Action Form together with a performance evaluation submitted to the Personnel Officer. The City Manager, upon receipt of these documents, may authorize the end of the employee's probationary period by the execution of a Personnel Action Form. The employee shall only then be advanced to regular status upon completion of the probationary period.
- 13.5 Unsuccessful Probation Period. If a probationary employee's probation period has not been satisfactory, it shall be so stated in a Personnel Action Form. The City Manager, by signing the Personnel Action Form, may authorize the dismissal of the employee, or, if promotional probation, the return of the employee to his or her former position. Such dismissal shall not be regarded as disciplinary. A probationary employee may be dismissed at any time or returned to the former position at any time without cause and without the right of appeal or grievance unless otherwise required by law. Notification of dismissal or of return to the former position shall be in writing and shall be given to the probationary employee prior to the dismissal or return to the former position unless otherwise required by law.
- 13.6 Probation Following Layoff. Employees laid off while on probation must serve a new probationary period following reemployment.

ARTICLE 14 EMPLOYEE LAYOFF PROCEDURES

- 14.1 Purpose For Layoffs. For reasons of economy, of efficiency, or in the interest or mandate of the public, reductions or curtailments of the City services may be required. Whenever, in the judgment of the City Council, it becomes necessary, the City Council may abolish any position or employment and the employee holding such position or employment may be laid off.
- 14.2 Abolition of Position(s). When layoffs are to occur, the City Manager shall prepare a list of those positions to be abolished in each department. For each affected department, the City Manager shall assemble a list of those employees within the classification designated for a position abolition. Such list shall be forwarded to the appropriate department head. The department head shall prepare a list establishing the order of employee layoffs within a classification. The department head shall determine the individual layoff ranking of each employee based upon seniority, except that canine officer assignments and undercover operations in progress shall exempt the affected employee from layoff. Following completion of undercover operations in progress, the officer so exempted shall then be subject to layoff, and the senior officer on layoff

shall be reinstated. Temporary, interim and probationary employees shall be laid off prior to the layoff of any regular employee within the same classification in the department, unless involved in undercover operations in progress.

- 14.3 Layoff Appeal. A regular employee shall have the right to request an appeal hearing. Such request must be made in writing to the City Manager within five (5) working days after receipt of a layoff notice. The City Manager shall prepare and deliver a decision on the appeal within five (5) working days after receipt of the appeal.

The scope of the appeal shall not include such issues as the need for layoff, the reasons for layoff, the extent of layoff, the classifications selected for layoff, or the exercise of other City prerogatives involved in layoff. The issues of such appeal shall be limited only to whether or not there was substantial compliance with the procedures for layoffs and the established order of departmental layoff within a classification.

ARTICLE 15 DISCIPLINARY AND APPEALS PROCEDURES

- 15.2 Improper Employee Conduct. Improper conduct may be cause for disciplinary action up to and including termination of employment. The term “improper conduct” means not only any improper action by an employee in the employee’s official capacity, but also conduct by an employee not connected with the employee’s official duties that affects the employee’s ability to perform official duties, and any improper use of the position as an employee for personal advantage. In addition, improper conduct includes, but is not limited to, the following.
- 15.2.1 Tardiness

 - 15.2.8 Unauthorized sleeping while on duty.
 - 15.2.9 Disorderly conduct: fighting, threatening, attempting to inflict bodily injury on another; engaging in dangerous horseplay.
 - 15.2.10 Being on duty under the influence of a chemical or intoxicant or reporting for duty while so influenced.

 - 15.2.28 Sexual harassment.
 - 15.2.29 Willful violation of City or Departmental policies and procedures regarding media contact.
- 15.3 Disciplinary Process: The purpose of disciplinary action is to correct deficiencies in employee performance, to seek improvement to meet appropriate standards, and/or to correct for violation of City policies. The City will verbally counsel an employee when circumstances warrant it, prior to taking any formal disciplinary action. This gives the supervisor an opportunity to communicate in a non-disciplinary fashion that a problem is perceived and that the supervisor is available to help solve it.
- The disciplinary process outlined below has been established to provide general guidelines for a fair method for disciplining employees. Disciplinary actions imposed under this article shall be in accordance with section 3300-3311 of the California Government Code.
- 15.3.1 Discipline may be initiated for various reasons, including, but not limited to, violations of City work rules, insubordination or poor job performance. The severity of the action depends on the nature of the offense and an employee's record, and may range from verbal counseling to immediate dismissal.
 - 15.3.1.1 The normal progressive discipline procedure consists of:
 - 15.3.1.1.1 Verbal Reprimand: To communicate to the employee that a repeat action may result in more serious disciplinary action. (Not appealable)
 - 15.3.1.1.2 Written Reprimand: A written communication to the employee that the same or related offense has been committed. A copy of this warning is given to the employee and one copy is filed in the employee's personnel file. The Employee may submit a written response within thirty (30) calendar days. The employee's response will be attached to the written reprimand. Written reprimands may be

- appealed to the superior officer of the supervisor issuing the reprimand under section 15.3.4.1.1.
- 15.3.1.1.3 Suspension: Temporary removal of an employee from his/her duties without pay for misconduct. Employees may be suspended on the spot by their immediate supervisor when there is a clear threat to the safety of other employees or the public. (Managers must notify the Personnel Director when instituting an on-the-spot suspension as soon as it is practical.)
- 15.3.1.1.4 Demotion: This step involves either the reduction in pay step or reduction in class.
- 15.3.1.1.5 Dismissal: The final step in the disciplinary process.
- 15.3.2 Disciplinary Procedure: Although one or more of these steps may be taken in connection with a particular employee, no formal order or system is necessary. The City reserves the right to deviate from this policy when it feels that circumstances are so severe that such a deviation is warranted. The City Manager or designee is vested with the authority to determine the appropriate course of action.
- 15.3.3 Further steps in the discipline involving suspension, demotion or dismissal should not be taken without consulting the department head and the Personnel Director.
- 15.3.4 Suspension, Demotion, Dismissal. Subject to the Hearings and Appeals Procedures specified in Section 15.4, the City may:
- 15.3.4.1 Impose a suspension without pay upon an employee when, in his/her judgment, such action will best serve the interests of the City. Such suspension shall, however, not exceed a period of thirty (30) working days except that if the suspension is imposed because of an employee's trial by a court of law, the suspension may extend to such time as that court has rendered its decision.
- 15.3.4.2 Brief Suspension Without Pay. When, in the opinion of the sergeant, lieutenant or captain (supervisor), circumstances warrant, a suspension of two (2) working days or less may be imposed informally, without complying with the formal procedures commonly referred to as "Skelly Procedures." Prior to the imposition of such discipline, the supervisor shall explain appropriate department standards and policies, employee performance expected in the future, and consequences for failure to correct performance or behavior. A written record of the discipline, including a full, accurate and factual statement of the reason therefor, shall be sent to the Personnel Director to be placed in the employee's personnel folder. Within thirty (30) calendar days after the date the discipline is imposed, the employee may respond in writing and have such response placed in the employee's personnel folder.
- Suspensions of two (2) working days or less may be appealed to the immediate superior officer of the supervisor imposing the suspension by filing an appeal within ten (10) calendar days. The superior officer will meet with the employee and their representative to go over the facts of the suspension and will render a decision within ten (10) calendar days of the meeting. The decision of the superior officer shall be subject to appeal to the Chief of Police. (If the initial discipline is imposed by the Chief of Police, the appeal shall be taken to the City Manager, who shall act as the "superior officer" in hearing the matter and rendering a decision). The employee shall file the written appeal with the Chief of Police within ten (10) calendar days of the superior officer's decision. The Chief of Police shall meet with the employee and their representative to review

the facts of the suspension and shall render a decision within thirty (30) calendar days. The decision of the Chief of Police shall be final.

- 15.3.4.1.3 Longer Suspension Without Pay. When the employee's conduct has been continuous or repeated, and lesser penalties are inadequate or have proved ineffective, the supervisor may impose suspension without pay in excess of two (2) working days. Such longer term suspension shall occur only after the notice procedures specified in Section 15.4.5.1.1 and shall be subject to appeal in accordance with Section 15.4.2.
- 15.3.4.2 Demote a regular employee to a position in a lower class with an appropriate reduction in pay or a reduction in pay step, for reasons including, but not limited to, unsatisfactory performance.
- 15.3.4.3 Dismiss for cause any regular employee.
- 15.3.4.4 Only discipline involving suspension of more than two working days, demotion, or dismissal is subject to an appeal as outlined below.

15.4 Hearings, Appeals and Grievances.

15.4.1 Pre-Discipline Meeting Procedures.

- 15.4.1.1 Prior to undertaking any of the personnel actions set forth in Section 15, the department head, or designee shall first provide the employee with a written specification of reasons for the proposed action and all documents relied on to support the action being taken. The statement shall either be delivered personally to the employee or sent by Certified Mail, Return Receipt Requested, and shall notify the employee of his/her right to request a meeting with the department head. The employee may, accordingly, request a meeting to determine if there is cause for the proposed personnel action. A request for a meeting must be in writing and must be delivered to the department head on or before five (5) working days after the employee's receipt of notice of intended action.
- 15.4.1.2 Upon receipt of the Request for Meeting, the department head shall notify the employee of the time and place for a meeting to be held not later than ten (10) working days after receipt of the request therefore. The employee shall be entitled to be present at such meeting together with an attorney and/or designated representative. The meeting is to be conducted by the department head or designee and shall provide the employee with the opportunity to refute, explain, or otherwise address the proposed statement of charges. All decisions of the department head or designee shall be rendered within ten (10) working days after conclusion of the meeting, and shall be final unless timely appealed by the employee as provided in the section entitled, "Appeals Procedures."

15.4.2 Appeals Procedures.

- 15.4.2.1 Any regular employee subjected to any disciplinary action set forth herein (suspension, demotion, or dismissal) may appeal any decision of the department head or designee by filing a written Notice of Appeal with the City Manager or designee within five (5) working days after his/her receipt of the decision. The employee's appeal shall be heard by an impartial hearing officer selected in a manner mutually agreeable to the City Manager and the employee; if no agreement is reached the hearing officer shall be selected from a list of advisory arbitrators from the California State Mediation Conciliation Service or from a list agreed to between the City Manager and the employee.
- 15.4.2.2 The employee may be represented by his/her Association/Union representative, any other regular employee of the City, or his/her attorney.

- 15.4.2.3 The Hearing Officer shall issue subpoenas to compel the attendance of witnesses, if such be necessary at the request of either party.
- 15.4.2.4 The hearing shall be recorded by a certified shorthand reporter. Expenses for such recording services shall be borne equally by the City and CCPOA, provided, however, that each party shall be responsible for any specialized or extraordinary services they might individually request. The parties may instead by agreement record the hearing electronically.
- 15.4.2.5 The expenses for the hearing officer shall be borne equally by the City and employee, and each party shall be responsible for expenses they incur.
- 15.4.2.6 After the close of the hearing the Hearing Officer shall prepare written advisory award and findings of fact and conclusions of law based on the evidence presented at the hearing, and shall present his/her findings to the City Manager and the employee within thirty (30) calendar days. In rendering an award, the Hearing Officer shall be limited to the express terms of this document and shall not have the power to modify, amend, or delete any terms or provisions of this document. Failure of either party to insist upon compliance with any provision of this document at any given time or times under any given set or sets of circumstances shall not operate to waive or modify such provision, or in any manner whatsoever to render it unenforceable, as to any other time or times or as to any other occurrence or occurrences, whether the circumstances are, or are not, the same.
- 15.4.2.7 At the hearing, both the appealing employee and the City shall have the right to be heard and to present evidence.
- 15.4.2.8 Oral evidence shall be taken only on oath or affirmation.
- 15.4.2.9 Each party shall have the right to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issue even though the matter was not covered in the direct examination, to impeach any witness regardless of which party first called him/her to testify, and to rebut the evidence against him/her.
- 15.4.2.10 The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules that might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded.
- 15.4.2.11 The City Manager or designee mutually agreeable to the City Manager and the employee shall review the Hearing Officer's recommendation, but shall not be bound thereby. If the City Manager or, if appropriate, the designee decides not to follow the Hearing Officer's recommendation, he or she shall notify the employee in writing regarding this determination. Such notice shall be sent to the employee not later than sixty (60) days after the City Manager's or, if appropriate, the designee's receipt of the Hearing Officer's recommendation. If the City Manager or, if appropriate, the designee fails to notify the employee of his or her determination within this sixty (60) day period, the Hearing Officer's recommended decision shall be final and binding, subject only to review by the courts under the procedures set forth in California Code of Civil Procedure section 1094.5. Otherwise, the City Manager's or, if appropriate, the designee's

decision shall be final and binding, subject only to review by the courts under the procedures set forth in California Code of Civil Procedure section 1094.5.

ARTICLE 16 ATTENDANCE AND LEAVES

- 16.1 Attendance At Work: Absence Without Leave. Employees shall be in attendance at their work in accordance with the rules regarding hours of work, holidays, and leaves. All departments shall keep daily attendance records of employees which shall be reported to the City Manager and the Finance Director in the form and on the dates they shall specify. Failure on the part of an employee, absent without leave, to return to duty within forty eight (48) hours after a due notice to return to work has been delivered shall be cause for immediate dismissal. A certified letter delivered by U.S. mail to the employee's last known address shall be reasonable notice, without regard to whether delivery is accepted; a letter by ordinary mail, first class postage prepaid thereon, shall likewise constitute reasonable notice.
- 16.2 Deemed Resignation. Absence without leave, whether voluntary or involuntary, for five (5) consecutive scheduled working shifts, is a deemed resignation from City employment, as of the last date on which the employee worked. Any employee who fails to report for work within seventy-two (72) hours after delivery of a notice as specified in Section 16.1, or who by the expiration of the seventy-two (72) hours has missed or will have missed five (5) or more consecutive scheduled working shifts, shall also be deemed to have resigned from City employment, as of the last date on which the employee worked. Upon a determination by the department head or Personnel Officer that such an absence has occurred, and that the employee has resigned, notice of the deemed resignation and of the employee's right to request reinstatement for good cause upon timely request therefor, shall be sent by ordinary first class mail, postage prepaid thereon, or by certified mail, or both, to the employee at his or her last known address. An employee who has been deemed to have resigned in accordance with the terms of this Section shall have fifteen (15) days after the date of mailing of such notice within which to request reinstatement. Any request for reinstatement must be made in writing and must be received by the City within fifteen (15) days of the date of mailing of the notice. Request for reinstatement may be made within ninety (90) days after the effective date of the deemed resignation if the notice specified above was not sent to the employee in the manner specified in this Section. Reinstatement shall be granted only if the employee makes a satisfactory explanation to the department head as to the cause of his or her absence and as to the reason for his or her failure to obtain leave therefor. Evidence that the employee reasonably believed leave had been granted shall justify reinstatement. The department head, to order reinstatement, shall find that the employee is ready, able and willing to resume the discharge of the duties of the employee's former position or, if not then able to immediately resume such duties, the department head may consent to a leave of absence to commence upon reinstatement. An employee so reinstated shall not be paid salary for the period of his or her absence or separation or any portion thereof. Denial of reinstatement shall be subject to appeal under the procedures specified in Section 15.18. In determining the employee's rights under all the circumstances, the City Manager or hearing officer shall be guided by Government Code Section 19996.2 and case law related thereto, including Phillips v. California State Personnel Board (1986) 184 Cal. App. 3d 651, 229 Cal. Rptr. 502, and in such appeal the City shall have the burden to establish that the absence was in fact unauthorized and that the department head reasonably believed the employee had abandoned his or her employment.
- 16.3 Hours of Work. Daily hours of work (or shifts) for employees within departments shall be assigned by department heads as required to meet the operational requirements of said department. Any foreseeable absence or deviation from regularly scheduled working hours

desired by an employee shall, in advance be cleared through the employee's department head, and such absences shall be noted on the employee's time sheet.

- 16.4 Work Week. The work week begins at 12:01 a.m. Sunday and ends at Midnight the following Saturday (7 consecutive days).

- 16.5 Leave of Absence. The City Manager, with the concurrence of the affected department head, may grant a regular employee a leave of absence for a period not to exceed one (1) year. No such leave shall be granted except upon written request of the employee setting forth the reason for the request. Approval shall be in writing.

Upon expiration of an approved leave, the employee shall be reinstated in the position held at the time leave was granted, subject to the conditions of the leave or as provided by State and/or Federal laws. Failure on the part of an employee on leave to report promptly at its expiration shall be cause for dismissal. The depositing in the U.S. mail of a certified letter, addressed to the employee's last known place of address shall be reasonable notice of dismissal for failure to return to work.

Such a leave shall generally be without pay, provided that the City Manager shall have discretion to grant pay for the first fifteen (15) consecutive work days. Any employee on an approved leave of absence shall receive no vacation benefits and no sick leave after fifteen (15) consecutive work days. City contributions to retirement, health and medical plans shall be suspended until the employee is reinstated. An employee who is on leave of absence shall be responsible for reimbursing any agency for any payroll deductions that the employee has authorized. An employee reinstated after a leave of absence shall receive the same step in the salary range the employee received when the leave of absence began. Time spent on such leave shall not count towards service for increases within the salary range or benefit accruals. The employee's anniversary shall be set forward in time one (1) month for each thirty (30) consecutive calendar days taken. The employee shall retain accumulated vacation credits, sick leave credits, and other similar credits; however, such credits or seniority shall not accrue to a person granted such leave during the period of absence. When an employee is granted a leave of absence without pay, the City shall discontinue payment of medical, health and other similar insurance premiums for the employee and dependents. At the time the employee requests a leave of absence, the employee may pre-pay the insurance premiums by depositing funds with the Finance Department prior to the expiration of coverage, provided that such a continuation of coverage is authorized by the City's contract for medical insurance.

- 16.6 Military Duty. Military leave of absence shall be granted in accordance with the provisions of State and Federal law. All employees entitled to military leave shall give the department head an opportunity, within the limits of military regulations, to determine when such leave shall be taken. Compensation for such purposes shall not exceed thirty (30) days in any one (1) fiscal year.

- 16.7 Vacation Leave.

- 16.7.1 Vacations. All employees shall accrue vacation credits according to the following schedule:

- 16.7.2 Vacation Accumulation; Cashing Out Option. Employees are encouraged to use their accrued vacation time annually. Earned vacation credits shall be

accumulated. Employees may, however, carry over unused vacation credits to succeeding calendar years. Except upon written approval by the City Manager, accumulated vacation credits shall not exceed the employee's two (2) year maximum rate of accrual. Accumulated vacation time which exceeds the two (2) year accrual maximum, and is not carried by approval, must be paid as time worked.

Upon a four (4) week prior written request, one (1) time per calendar year, each employee may receive pay for unused vacation time; provided, however, that a minimum of at least once in the preceding twelve (12) months, forty (40) hours of vacation time or vacation time combined with credited holiday leave is taken off in a block which guarantees a minimum of one (1) full work week off at one time. The City Manager may waive this condition if he or she is satisfied adequate vacation will be taken in the immediate future.

16.7.3 Annual Review of Accumulation: In November of each year, the City shall review each employee's vacation accumulation. The City shall pay employees for those accrued hours in excess of the two (2) year accrual maximum set forth in section 16.7.2 above and adjust the affected employees' vacation accumulation back to the two (2) year accrual maximum set forth in section 16.7.2 above.

16.7.4 Illness Within Vacation Period. Illness during a vacation period shall not be considered as sick leave, unless confirmed by a physician's statement and approved by the City Manager.

16.7.5 Vacation Credits When Employment Terminates. Upon termination of employment, an employee shall be paid for unused vacation credits.

16.7.6 Effect of Absence on Vacation Crediting. Absence due to sick leave or other approved leave of absence will not effect computations for vacation credits unless such absences exceed one (1) month, in which case the time of said absence (unless such absence is for vacation being used) shall be excluded from computation.

During the first four (4) hours of the day, each team will be responsible for carrying out various community service assignments in Cathedral City such as painting out graffiti, cleaning up trash in the public right of way, etc.
- At 12:30 p.m. all the Community Service teams will gather at Panorama Park for a Martin Luther King Jr. Day celebration. The celebration will include a picnic, and King Day speaker(s). The celebration will last for the balance of the work day.
- Any employee covered by this Agreement who elects to not participate in the Community Service Day will be required to work their normal work day in assignments designated by the Executive Management team.
- The City and POA will form a joint committee to plan the Community Service Day events.
- 16.9 Jury Duty. An employee summoned to and serving on jury duty shall submit evidence of the Summons to the Chief of Police. The employee may be absent from duty with pay for time required to be away from the employee's regularly scheduled work hours. An employee who is released by the court from jury duty on any regularly scheduled work day shall return to work to complete any remaining portion of regularly scheduled work hours unless otherwise excused by the Chief of Police. The employee shall be entitled to retain juror fees as reimbursement for expenses associated with jury duty.
- 16.10 Bereavement Leave. Bereavement leave with pay, not to exceed three (3) days from accrued sick leave, shall be granted full-time employees at the discretion of the Chief of Police. This shall be the maximum time allowable based on demonstrated need and shall be limited to death within the immediate family. The immediate family is defined as mother, father, brother, sister, spouse, children, grandparents, in-laws, domestic partner and legal guardians.
- Domestic partner as used in this Section 16.10 is hereby defined as follows. A domestic partnership shall exist between two (2) persons if the following conditions are met:
1. The persons are not related by blood closer than would bar marriage in the State of California;
 2. Neither person is married or related by marriage;
 3. The persons share the common necessities of life;

4. The persons are eighteen (18) years old or older;
5. The persons are competent to enter a contract;
6. The persons declare that they are each other's sole domestic partner;
7. The persons are responsible for each other's welfare;
8. The persons agree to notify the City of any change in the status of their domestic partnership;
9. Neither person has declared that he or she has a different domestic partner;
10. The persons file a statement of domestic partnership.
11. Statement of domestic partnership.
 - a. *Contents.* Domestic partners may make an official record of their domestic partnership by completing, signing and submitting to the City Manager or designee, a statement of domestic partnership. The domestic partnership statement shall include the date on which the persons became each others' domestic partners and the address or addresses of both partners.
 - b. *Amendment of Domestic Partner Statement.* Partners may amend the statement at any time in order to change an address by filing a new statement.
 - c. *Termination of Domestic Partnership.* Any member of a domestic partnership may terminate the domestic partnership by filing a termination statement with the City Manager or designee. The person filing the termination statement must declare under penalty of perjury: (1) The domestic partnership is terminated and (2) a copy of the termination statement has been mailed to the other domestic partner.
 - d. *New Statements of Domestic Partnership.* No person who has filed an affidavit of domestic partnership may file another statement of domestic partnership until six months after filing a termination statement specified in section 16.10.
12. Persons who have registered as domestic partners pursuant to California Family Code section 297 *et seq.*

- 16.11 Maternity Leave. Employees shall be afforded the benefits, when eligible, pursuant to the California Family Rights Act and the U.S. Family and Medical Leave Act, and all regulations adopted thereunder.

A female employee physically incapacitated from performing her duties due to pregnancy, childbirth or related medical conditions, is eligible for maternity leave from her job. An employee requesting maternity leave shall submit in writing her intent to take leave, a physician's statement indicating her last date to remain at work for health reasons, and her intended date to return to duty. The employee is entitled to six weeks of maternity leave to be taken in the form of accumulated sick leave and/or vacation leave. An employee requiring more than six weeks maternity leave shall submit a physician's statement indicating the employee is disabled and cannot return to duty in her present physical condition. With such statement the employee is entitled to continue to use accumulated sick leave and/or vacation time. When an employee has used all accumulated sick leave and vacation time, the employee may be granted a leave of absence without pay for a reasonable period of time normally not to exceed six (6) months from the date of absence. The City may require a pregnant employee to provide a physician's

statement approving the continuance of her current work duties. Where, in the opinion of the employee's or City's physician, the continuance of her work duties would be hazardous to the employee's health, the department head may temporarily assign an employee duties which can be approved by a physician's statement. When temporary assignment is not practical or possible, the department head may recommend that the employee be granted maternity leave. The City Manager shall either approve or deny such recommendation.

When an employee is granted a leave of absence without pay for maternity leave, the City shall discontinue payment of medical, health and other similar insurance premiums for the employee and dependents. At the time the employee requests a leave of absence as part of her maternity leave, the employee may pre-pay the insurance premiums by depositing funds with the Finance Department prior to the expiration of coverage, provided that such a continuation of coverage is authorized by the City's contract for medical insurance.

Adoptions do not qualify as instances eligible for maternity leave.

- 16.12 Sick Leave. Employees shall be afforded the benefits, when eligible, pursuant to the California Family Rights Act and the U.S. Family and Medical Leave Act, and all regulations adopted thereunder.

An employee may use accrued sick leave for illness of the employee or physical incapacity of the employee due to non-work related illness or non-work related injury, or for physical examinations, including eyes, dentist appointments or other commonly accepted health related matters.

All regular full-time employees shall be credited with one (1) day (3.69 hours per pay period) of sick leave per pay period, or major fraction thereof. Part-time regular employees who work twenty (20) hours or more accrue on a pro-rata basis. An employee who is absent because of illness may be required to file a written statement from his or her physician indicating the medical need and anticipated duration of the absence which then must have the approval of the Chief of Police before the employee is eligible to receive sick leave pay. If an absence because of illness or disability extends beyond three (3) consecutive workdays or the employee has used more than four (4) sick days in a calendar year, the employee may be required to submit a physician's written certification stating the nature and cause of the absence before the employee is eligible to receive sick leave pay.

Observed holidays occurring during sick leave shall not be charged against an employee's accrued sick leave.

An employee may be required to take physical examinations at periodic intervals while on sick leave from a physician designated and paid for by the City.

In the event that an employee uses all the sick leave he or she has accrued, he or she then shall have the vacation days he or she has accrued deducted for each day he or she is absent due to illness. Vacation days shall continue to be deducted until the employee either returns to work or all of accrued vacation days are used. The employee may apply to receive a leave of absence without pay if the employee does not have any credited vacation or sick days.

- 16.12.1 Sick Leave Accrued Limit and Payoff. Any unused portion of accumulated sick leave may be carried over into the next calendar year; provided however, an employee's accumulated sick leave may not exceed nine hundred sixty (960) hours unused sick leave; further accumulation shall not be allowed. However, to encourage attendance at work and discourage the frivolous use of excess sick leave, employees with continuous employment of five (5) years or more shall receive a payment in cash of 25% of unused sick leave when they resign or retire.

Employees with continuous employment over nine (9) years shall receive in cash 50% of the unused sick leave when they resign or retire. This compensation in cash shall be at straight time rate.

Upon four (4) weeks advance notice, one (1) time in any fiscal year, an employee is entitled upon request to payment for accumulated sick leave in excess of three hundred eighty (380) hours; payment shall be at base salary rate.

- 16.12.2 Effect of Absence on Sick Leave. Absence due to sick leave or other approved leave of absence will not affect computations of sick leave unless such absence exceeds one (1) month, in which case that month or more, shall be excluded from computation.
- 16.13 Family Illness Leave. If an employee requests to be absent from duty because of illness in the employee's immediate family, which requires the employee's attendance, the Chief of Police may approve use of the employee's accrued sick leave not to exceed six (6) days per calendar year. The immediate family is defined as mother, father, brother, sister, spouse, children, grandparents, in-laws, legal guardians or registered domestic partner to the extent required by Labor Code section 233.
- 16.14 Subpoenaed Absence – Sworn Public Safety Personnel. City Public Safety Personnel who are subpoenaed (re G.C. 68097.1-2) to attend as a witness, shall receive the salary or other compensation to which they are normally entitled from the City during the travel time to and from the place where the court or other tribunal is located and the time they are required to remain at such place pursuant to such subpoena. Travel expenses shall be reimbursed by the City for the actual, necessary and reasonable travel by complying with such subpoena.
- Civil subpoenas arising out of the employee's duties shall be respected in accordance with Government Code Section 68097, et seq. The party at whose request such a subpoena is issued for a civil case shall reimburse the City for the full cost incurred in paying the safety personnel their salary or other compensation and traveling expenses as provided for in this Section, for each day that such safety personnel is required to remain in attendance pursuant to such subpoena, as required by Government Code Section 68097, et seq. The amount of one hundred fifty dollars (\$150) shall be deposited with the City, for which City shall issue a receipt prior to the issuance of a subpoena pursuant to this Section for each day.
- The City shall provide a detailed billing to the clerk of the court. If the actual expenses should later prove to be less than the amount deposited, the excess of the amount deposited shall be refunded. If the actual expenses should later prove to be more than the amount deposited, the difference shall be paid to the City by the party at whose request the subpoena is issued.
- If a court continues a proceeding on its own motion, no additional deposit may be required prior to the issuance of a subpoena or the making of an order directing such safety personnel to appear on the date to which the proceeding is continued.
- 16.15 Unauthorized Leave. Any employee who is absent from work without approved leave shall be subject to termination. The provisions of Section 16.2 relating to automatic resignation may also apply.
- 16.16 Catastrophic Leave Donation. Circumstances may arise where an employee or the employee's immediate family may suffer an unforeseen event, which may have a catastrophic effect on the employee and/or the employee's family. Under such a circumstance the employee may request leave donation from fellow employees under the following procedures:
- 16.16.1 Employee's Own Personal Extended Illness. An employee who is suffering from a serious illness or a serious accident is eligible for short term disability

insurance and may have sick leave and vacation leave donated to cover the difference between payments received from the disability insurance company and the employees' full salary and to cover the cost of any insurance plan provided by the City.

- 16.16.2 Serious Illness or Injury of a Member of the Employee's Immediate Family. An employee whose immediate family member is suffering from a serious illness or injury may have leave donated to provide him/her with time off from work to care for that family member. Said donated leave will be used to continue the employee on payroll until said leave is exhausted.
- 16.16.3 Leave Donation Eligibility Procedures.
- 16.16.3.1 The employee seeking leave donation must have exhausted all available leave, sick leave, vacation leave and compensatory leave.
- 16.16.3.2 The employee must submit a request for leave donation to the Personnel Department for review and approval of the City Manager or designee. The employee will be required to provide medical documentation for the need of this leave donation.
- 16.16.4 Leave Donation Procedure.
- 16.16.4.1 The donation of leave is voluntary and is irrevocable once donated.
- 16.16.4.2 Employees wishing to donate leave will submit to the Personnel Department an authorization for transfer of leave form.
- 16.16.4.3 Employees may donate accrued sick leave in excess of 96 hours, with a maximum donation of one ten (10) or twelve (12) hour shift, as appropriate. Sick leave donated to an employee who works an eight (8) hour day may not exceed eight (8) hours. Sick leave donated to an employee who works a ten (10) hour day may not exceed ten (10) hours. Sick leave donated to an employee who works a twelve (12) hour day may not exceed twelve (12) hours.
- 16.16.4.4 Employees may donate accrued vacation time. Vacation leave donated to an employee who works an eight (8) hour day may not exceed eight (8) hours. Vacation leave donated to an employee who works a ten (10) hour day may not exceed ten (10) hours. Vacation leave donated to an employee who works a twelve (12) hour day may not exceed twelve (12) hours.
- 16.16.4.5 The donated leave will be put in to a "Catastrophic Leave" account and can only be used for the purposes set forth in sections 16.18.1 and 16.18.2 above.
- 16.16.4.6 Donated leave will be credited to the "Catastrophic Leave" account at the employee's hourly rate of pay or the donating employee's rate of pay, whichever is less. In no case shall the total amount of leave exceed: eight (8) hours of sick leave or eight (8) hours of vacation leave per donee who works an eight (8) hour shift; ten (10) hours of sick leave or ten (10) hours of vacation leave per donee who works a ten (10) hour shift; or, twelve (12) hours of sick leave or twelve (12) hours of vacation leave per donee who works a twelve (12) hour shift.
- 16.16.4.7 Any time remaining in an employee's "Catastrophic Leave" account upon return to work will be transferred to a "Catastrophic Leave Bank" for use by other employees who qualify under the provisions of this Article. The "Catastrophic Leave Bank" will have a cap of 320 hours. Any remaining leave in excess of 320 hours will be converted to a cash value and placed in a fund for an employees program to be determined at a later date.
- 16.16.4.8 In no case will an employee be able to convert the donated leave to cash or be paid for any remaining balance of donated leave.
- 16.16.4.9 All donations will be maintained as confidential information.

- 17.2 Informal Grievance Procedure. Every effort shall be made to resolve a grievance through discussion between the employee and/or the employee's designated representative, and the employee's immediate supervisor. Otherwise, the employee shall have the right to discuss the matter with the division manager.
- 17.3 Formal Grievance Procedure. - 17.4 Appeal Procedures. The appeal shall be signed and delivered to the Police Chief who shall set a meeting between the Police Chief and the employee and/or the employee's representative to discuss the grievance within ten (10) working days. Within seven (7) working days the Police Chief shall deliver a copy of the decision to the employee and/or the employee's representative and the division manager. Upon demand of the employee or the employee's representative, the decision of the Police Chief shall be subject to review by the City Manager, whose decision shall be final.
- 17.5 Extension of Time Limitations. All time limitations mentioned in the Grievance Procedure may be extended by mutual written agreement between the City and the employee.

ARTICLE 18

- 18.2 Disclosure of Information. of any information in Personnel files in any phase of a disciplinary or probationary action. Confidentiality provisions established by Penal Code Section 832.7 and Evidence Code sections 1043 and 1045 shall be respected. Nothing herein shall preclude the use of any information in an employee's file in any phase of a disciplinary or probationary action. The City shall not be prevented from releasing other information under subpoena or under the Public Records Act when a proper request therefor is submitted, if the City Attorney advises that the requested information must be released.

ARTICLE 19 EDUCATION INCENTIVE

The City of Cathedral City encourages employees to further their educational goals and objectives by attending classes on their own time which are job related and of direct benefit to the City and when such costs are not reimbursed or paid for by other sources. The City shall partially reimburse the employee for actual expenses upon successful completion of the class or classes. Except with the approval of the City Manager, City vehicles will not be authorized for use for transportation to and from classes, nor will mileage allowance be provided.

The City will reimburse the employee for 80% of the incurred costs of tuition, books and fees, subject to a fiscal year maximum of \$4,000, and a lifetime maximum of \$6,000. Education pursuit up to one Bachelor's degree will be approved without proof of job relatedness. For work beyond a Bachelor's Degree, reimbursement will be made only if job-related.

ARTICLE 20 FRINGE BENEFITS

- 20.1 Insurance Plan: The City shall reinstate medical insurance coverage equal to the Police component of the Public Safety Management Association as soon as is permitted by the medical insurance carrier, and shall keep the coverage equal to that of the Police component of the Public Safety Management Association for the term of this Agreement. This provision shall include medical insurance, dental insurance and optical coverage equal to that granted the Public Safety Management Association. The City shall pay the City's share of dependent coverage for medical benefits for those employees currently paying their share of medical benefit cost at their own expense, beginning the next pay period after the signing of this document.

Effective July 6, 2003, the City shall bear the cost of employee with one dependent and employee with more than one dependent coverage so long as an employee's dependents are eligible under the terms of the policy or policies authorized from time to time by the City Council (to the same extent as the City bears the cost of coverage for the employee) and so long as the employee does not select the most expensive coverage available. In the event an employee selects the most expensive coverage, he or she shall be responsible for paying the difference between the cost of the most expensive coverage and the cost of the second most expensive coverage."

In addition to the above, the City will continue to pay the full premiums for dental and vision insurance, independent of the caps listed above.

Such benefits shall cease for the surviving spouse upon his or her remarriage or eligibility to receive Medicare, whichever occurs first. Such benefits shall cease for dependents when they reach age eighteen (18). For purposes of this Section, the term "dependent" shall mean the son, daughter, step-son or step-daughter for which an officer is legally responsible.
- 20.8 Personal Security. An officer who is wounded or seriously injured as the result of a criminal act by another during an incident arising from or directly related to the performance of his/her law enforcement duties shall, upon the determination of the ranking officer in charge or upon reasonable request that an imminent threat exists and approval of his/her division commander, be provided with a sworn peace officer guard during his/her period of hospitalization until such time as it is determined that a threat to the officer's safety no longer exists.

ARTICLE 21 SHIFT SELECTION; WORK SCHEDULING

- 21.1 Alternate Work Schedule. An alternate work schedule, based upon a 3/12 plan, will be developed for those police individuals of the Association assigned to patrol (excluding GRASP and operations manager), provided that no additional costs are anticipated to be borne by the City thereby. Alternate work schedules will be developed for other police members of the Association. Operations special details will be based on a 4/10 or 9/80, but not a 5/8. The proposed twelve-hour shifts shall be scheduled as 0600 to 1800 (a.m.) and 1800 to 0600 (p.m.), with the provision that the start/end time for the a.m. shift can fluctuate within two hours and the

start/end time for the p.m. shift can fluctuate within four hours, depending on operational needs. However, motorcycle patrols will remain on a 5/8 or other alternate schedule at the discretion of the Chief of Police. Lunch would be included in the schedule except for division managers.

Investigations, K-9, and GRASP will remain on a 9/80, or another alternate schedule plan if the 3/12 program for patrols is canceled.

- 21.2 Longevity Pool. A longevity pool shall be established which shall give experienced officers, on the basis of seniority, priority in shift selection. In order to be placed in the longevity pool an employee must have been employed by this department as a police officer for at least three (3) years.

A Field Training Officer will be assigned to each shift/watch. A probationary employee may not serve a Field Training Officer. Employees shall meet the P.O.S.T. requirements for Field Training Officers, shall have at least three (3) years law enforcement experience and shall have at least eighteen (18) patrol duty experience. Field Training Officers' compensation for such duties shall be increased by 5% of salary.

Based on the operational needs of the Department, the POA agrees to support shift scheduling whereby after two consecutive rotations the officers, by seniority, will select another shift. Following two (2) consecutive rotations, officers may, for one additional shift, elect to enter into a personal trade for shift scheduling. Thereafter, following three (3) consecutive rotations, officers who wish to enter into trades to remain on a particular shift must have the advanced approval of the Operations Manager. Officers who have not been placed in the longevity pool may not trade shifts. Any shift trade may be rejected for substantial performance reasons, which shall be communicated in writing to the affected employee. By definition "Shift" will be "A.M.", or "P.M.". "A.M." being 0600 to 1800 hours, "P.M." being 1800 to 0600 hours. Specialized assignments such as canine, traffic, and GRASP will not be part of this shift selection program.

The department will post shift assignments for sign-up thirty (30) days prior to the shift with assignments to be finalized ten (10) days prior to the shift starting. Officers not selecting shifts within the sign-up period will have shifts assigned by the Operations Division Manager. Shift rotation will be based on four (4) month tours: January-April, May-August, September-December. Vacation scheduling will be posted based on a calendar year, "first come, first served." Vacation/time off is typically limited to one officer off a designated team at one time, unless approved by the Division Manager or designee. Whenever possible, however, a second officer may be allowed vacation/time off a designated team. Vacation/time off for a second officer from a designated team shall be contingent upon the following criteria:

21.2.1 The City has not received a request for compensatory time off from another officer from a designated team;

21.2.2 Allowing the second officer to take vacation/time off will not reduce the number of officers on a designated team to drop below minimum staffing levels;

21.2.3 There are no compelling issues or events occurring during the second officer's requested vacation/time off which would necessitate the second officer to work; and,

21.2.4 If the second officer submits a vacation request well in advance of the requested time off, the City will notify the second officer regarding approval or denial of the request thirty (30) days prior to the requested time off.
